**NARRATIVE:**

Wade has an extensive adult criminal history that began at the age of 28 and includes convictions for two (2) counts of child molestation (Indiana), multiple possession of narcotic controlled substance, possession of controlled substance paraphernalia, multiple trespassing, interfering with public transportation and petty theft. Wade has served multiple state prison terms, the longest a five (5) year term on two (2) counts of child molestation in the State of Indiana. Wade was released from state prison to the supervision of the Los Angeles County Probation Department on April 19, 2012. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in June 2013 after Wade absconded from post release community supervision (PRCS). Wade qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for possession of a controlled substance is defined as non-serious and non-violent under the California penal code. Wade is required to register as a sex offender pursuant to PC290. His prior criminal history and current failure to comply with the terms of release make him a most wanted.
